The McKell
1961

This annual will remain throughout the years
An exemplification of our many good cheers:
We'll have this yearbook to remember.

In Memoriam

MRS. TEMPA LOWDENBACK

We feel privileged to remember Tempa, as she was lovingly called by her close associates. Dedicated to the task of helping others, she became an outstanding member of the teaching profession and many students will recall her influence-which she exerted through thought, word, and deed.

Her interest and activities in community affairs and charitable organizations gave impetus to a reawakening of our civic responsibility and a rededication to the premise that we are our brother's keeper.

We have indeed lost a devoted person but have been rewarded by having found and known a true friend.

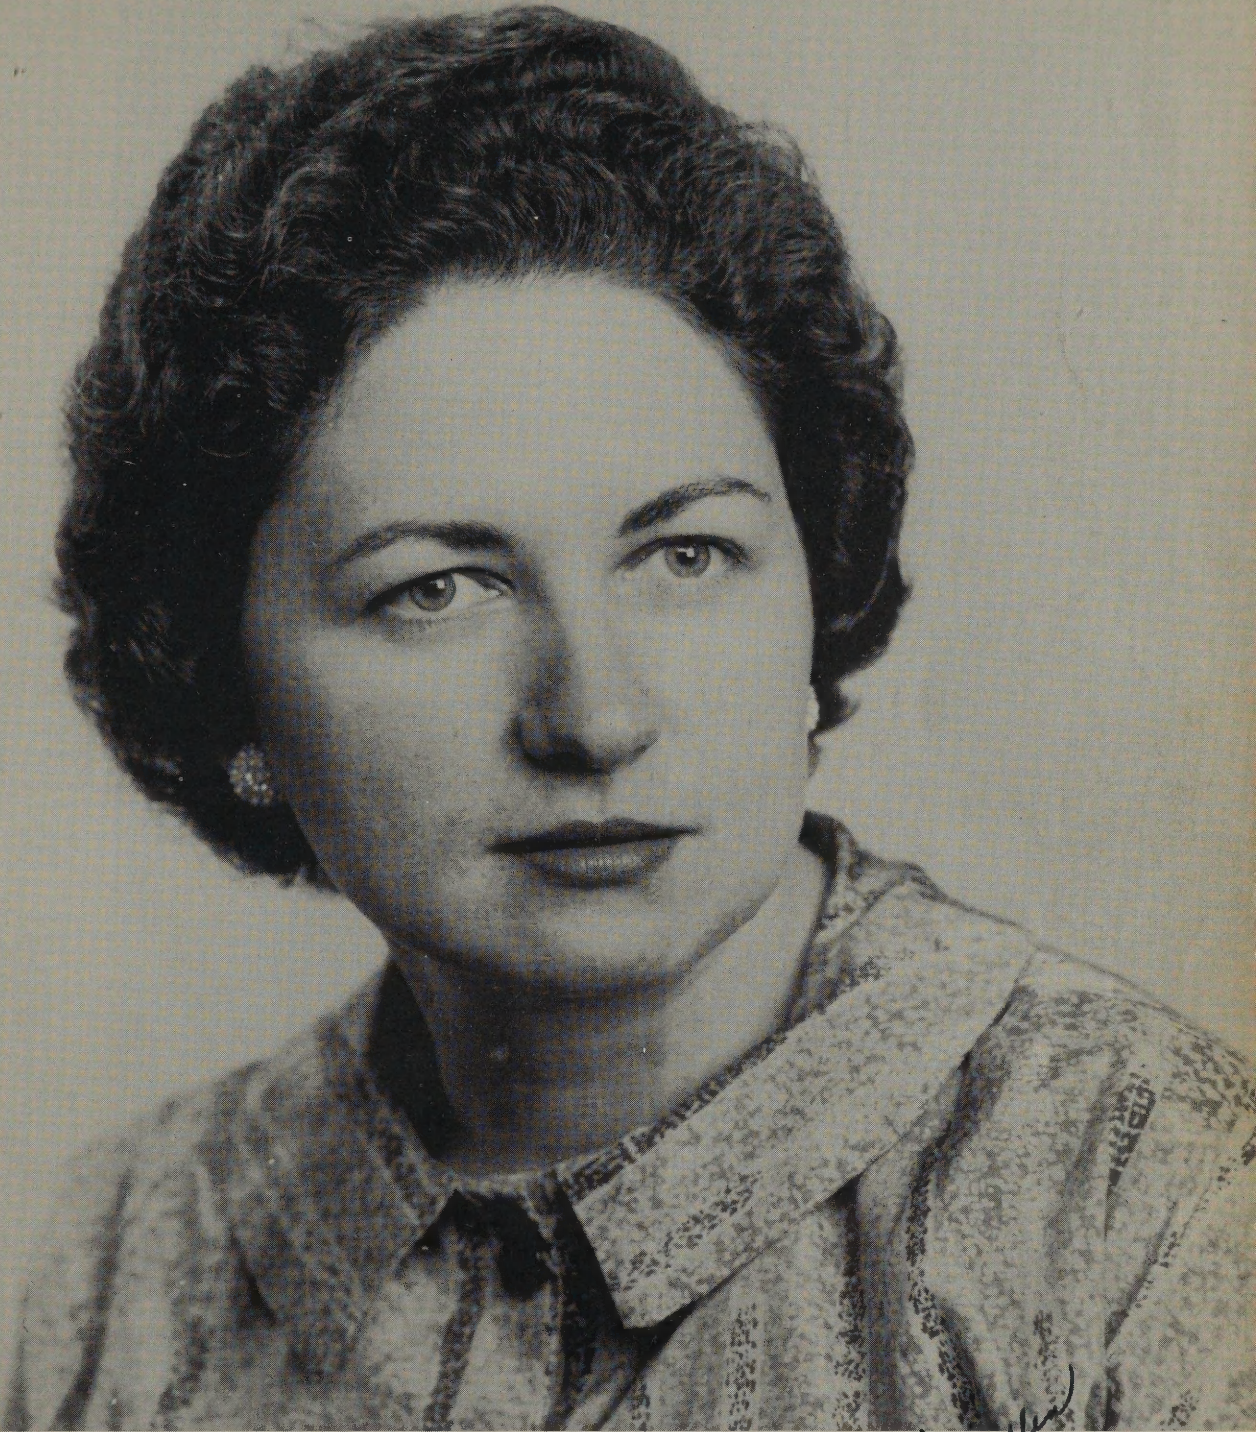
MR. CECIL HALL

Mr. Cecil Hall will long be remembered for his co-operation and helpfulness throughout Greenup County.

Through his visits to McKell High School as Supervisor of Schools, we gained his friendship and advice for which we will forever be thankful.

Mr. Hall's great love and interest in children did not conclude with his job as Supervisor or as Principal of Lynn Elementary School; for he was an active leader in the church and an apt counselor for his two children.

Our county has truly lost a fine citizen.



Dedication

Best Wishes
Miss McMullen

We, the annual staff of 1961, dedicate with pride and devotion this edition of our yearbook to our senior sponsor and English instructor, Miss Annelle McMullen. Although she has been here but a short time, she has built a mountain of knowledge in each of us. This knowledge will remain and assist us as we seek our goals in life. Her unfaltering energy and witty zeal have been projected in her many deeds for her school, church, community, and friends.

GREENUP— McKell High School Bulldogs of South Shore continued mastery and dominance in the Northeastern Kentucky High School Conference with a smashing 48-0 victory over traditional rivals, the Wurtland Warriors here Friday night.

Coach Chester Bruce's champion McKell eleven playing one of the best games of the year exploded in the second quarter to score 19 points.

Playing before the largest crowd of the year at the Greenup County Fairgrounds, the first quarter gave indication that it would be a nip-tuck battle between the cross-

Bulldogs Are First In Final NEKC Ratings

With the football season ended for three of the four high school teams in Greenup County, McKell finished 42nd in the Litkenhous ratings for the state of Kentucky.

Of the 148 school-boy teams in the Commonwealth, Russell was placed in the 94th spot in rating.

McKell, won the championship of the Northeastern Conference and wound up in a tie with Highlands as the top double AA team in the third region. However, Coach Chester Bruce's McKell eleven is ineligible for the regional playoffs, as they did not meet state requirements by playing a sufficient number of teams in this classification.

Highlands, a 33-0 victor over the Ashland High School eleven is rated as the top team in Kentucky. Male of Louisville and Flaget, also of Louisville are given the second and third spots in order as listed.

Following is a final rating for teams of the NEKC.

State Rate:		PCT.
42	McKell	57.6
84	Louisa	39.2
94	Russell	36.2
103	Wurtland	33.5
105	Catlettsburg	33.1
144	Raceland	15.1

McKell, Holmes Tie For 1st In Third Region

SOUTH SHORE — McKell High School, of this community is rated in a tie for first place with Covington Holmes as the top football eleven in the third region, AA class.

Ashland is rated as fourth in the double AA class, with Russell 7th and the Wurtland Warriors 11th.

McKell's Bulldogs clinched the Northeastern Kentucky Conference championship Friday night by drubbing Catlettsburg 61-13 before a Parents' Night crowd at Legion Field.

McKell, had perhaps the best team in the history of the schoool. It was a well balanced club. Lean, lithe and hungry for victory. Lots of speed. Not too big. An excellent defense. A fine aerial attack. Experienced players who knew their business and how to carry out assignments, especially

McKell Wraps Up Area Football Honors

By JOHN McGILL

McKell High School at South Shore is experiencing perhaps its most exciting football campaign in history. The Bulldogs are undefeated in three Third Region Class AA games, have annexed the championship of the Northeastern Kentucky Conference, are a cinch to post the best won-lost record in the area, probably will boast the area's top scoring mark as well as the best defensive mark and have triumphed by comfortable margins over their most bitter rivals.

Ashland's Tomcats, who have been running neck-and-neck with McKell all season for area honors, should win their two remaining games but cannot overtake McKell, which has one contest left. Ashland, meeting Newport Catholic here Friday night, should wind up with a 7-3 record while McKell, by defeating Wurtland this week, can close up with a 7-1 slate, the loss being to Portsmouth.

Ashland and McKell almost got together for a game this season but disagreed on the financial terms.

McKell has finished its official regional campaign, having defeated Wurtland in an early-season game. But the contest Friday will count in the NEKC standings instead of the first encounter.

Coach Chester Bruce has done a fine job at McKell for the second straight season. Surprised at his team's domination of the conference, Bruce says it is due to great team spirit and excellent coaching assistance from Tom Sims and Ed Moore. Ironically, Sims is from Raceland and Moore from Catlettsburg, two schools which felt McKell's power this season. Catlettsburg fell last week, 61-13, in a result that was simply amazing. It was supposed to be a close one, but Darrell Sammons, Wayne Palmer, Bob Johnson, Gary Collier & Co. apparently hit their peak at the right time.

Bruce has a comparatively light team, with several regulars under 160 pounds and a few under 150. Johnson, at 172, is the heaviest regular and Sammons, the clever quarterback, weighs but 140. Palmer, the area's top scorer, weighs 155. He has 91 points after a 4-touchdown splurge against Catlettsburg. Palmer, a deceptive runner, racked up five touchdowns and five extra points last year as McKell posted a 6-4 record and shared the NEKC title with Louisa.

Bruce took over as head football coach only last year after serving as an assistant. He, along with Moore and Principal Cliff Lowdenback, a former McKell coach, have created a very healthy atmosphere at McKell and school spirit, always high, seems to have grown steadily.

McKell Is Rated Over Ashland In Region 3

With the NEKC schedule complleted, this is the final standing.

	W	L	T
McKell	5	0	0
Louisa	3	1	1
Russell	2	2	1
Catlettsburg	2	2	1
Wurtland	1	3	1
Raceland	0	5	0

The Bulldogs are tied with Covington Holmes as the best team in the Region 3 double A schools and is rated above Ashland.

Russell hot only lost a football game to the McKell Bulldogs Friday night at South Shore's Legion field but apparently three of the Red Devils' starting backfield men, who may be out of action for an undetermined time.

McKell Won Title On Desire

Coach Bruce Says Team Efforts Key To N.E.K.C. Championship

By JOHN McGILL
Courier-Journal Correspondent

Ashland, Ky., Oct. 27.—McKell High School of South Shore has won the Northeastern Kentucky Conferenc championship with surprising ease and Coach Chester Bruce lists desire and loyalty as the major reasons.

McKell won its fourth straight conference game and wrapped up the title with an astonishing 61-13 triumph over Catlettsburg.

"It would not be fair to pick out three or four individual stars and credit them with our success," Bruce said. "Almost all of our boys played equally well and it was really a team victory.

"The season has been a very surprising one. We are small and had some personnel losses. But spirit here is very high. I also wouldn't want to pass up the opportunity of saying what five jobs were contributed by backfield coach Tom Sims, the former Morehead College star, and line coach Ed Moore. They were great—and I don't like to refer to them as just assistants."

Have 6-1 Mark

Bruce piloted McKell to a share in the N.E.K.C. championship last season in his first campaign as head coach but feels that he accomplished more this year. The Bulldogs, 6-1 overall with a loss to Portsmouth, Ohio, have outscored four N.E.K.C. rivals 154 to 39.

Amazing Wayne Palmer ripped off four touchdowns in the route of Catlettsburg, his scoring jaunts averaging a whopping 37.5 yards. Bob Johnson, Phil Bentley, Ray Boyles and Gary Reynolds also entered the scoring column in a contest that was expected to be close. Palmer, a 155-pound senior halfback, has 91 points and is certain of the area and N.E.K.C. scoring championship. He's a smart ball-carrier and faster than he appears to be.

Of the fifteen Bulldogs who have seen the most action, only four weigh as much as 160 and five are under 150. The versatile Johnson, who plays halfback and end—and also is a basketball star—is the heaviest regular at 172 pounds.

Sommons Tops

While proud of his team's balance, Bruce admits that if he had to name the single most valuable player he would have to pick 140-pound Darrell Sammons, his senior quarterback. Sammons is a good ball handler, an excellent passer and a good enough ball-carrier to be a halfback. Others who have done outstanding backfield work include senior Gary Reynolds, junior Bud Smith, junior Ray Boyles, sophomore Phil Bentley and senior Gary Collier. Collier is also a defensive tackle.

Top hands in the line are junior Roger Vanover, senior David Bush, junior Ray Riggs, junior Butch Osborne, senior Gary Bentley, junior Duane Gilham, senior David Hardin and senior Darrell Howard.

Bob Collins, 129-pound sophomore, and Jim Hardin, 195-pound junior, have also seen considerable defensive action. Five starters are juniors.

As misery loves company, Russell could be regarded as a staunch companion of Catlettsburg. Prior to opening of the season Russell and Catlettsburg had been rated as the two top teams in the conference.

How Much Is
$165,000,000? . . .

When the current expansion and modernization program is completed at its Portsmouth Division, Detroit Steel Corporation will have spent over $165,000,000 in its determination to make this southern Ohio steel mill one of the finest, best equipped, most competitive such plants in the nation.

That's a lot of money.

For example, had a man who was living when Christ was born, continued to live until today, and had he spent $225 every single day during all those long years, he would still not have spent that much money.

One hundred and sixty-five million dollars . . . the savings of thousands of ordinary people who, believing in the American Way, have become part owners in American Industry . . . plus the "plowed back" earnings of the company . . . all that money, within the next few years, will have been invested in the future of the Greater New Boston - Portsmouth Area to provide jobs and security for its citizens.

To My Sis:

This is just a few short lines to wish you and Bill good luck in the future at anything that you decide to do. These are words especially for the two of you and I hope that you will always remember them. As far as I am concerned you and Bill are a perfect couple and I have no doubts but what you will git along with each other. You are bothe young but mature enough to know what you want out of life and how to get what you want. Please fallow my advice and be honest and true with each other and you will have a full and blessed life. I am sure all your sorrows will be small ones and the two of you can repair them with no trouble at all. Just use sound judgement and good reasoning and you two will do fine.

May the good lord Bless and
Keep you both safe from harm.
your Brother and best
well wisher on your Marriage.
